## INDEPENDENT AUDITOR'S REPORT

**To the Members  
Silver Leaf Partners, LLC**

We have audited the accompanying statement of financial condition of Silver Leaf Partners, LLC as of December 31, 2007, and the related statements of income, changes in ownership equity, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Silver Leaf Partners, LLC as of December 31, 2007, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Pages 3, 4 and 7 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

## **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

**To the Members  
Silver Leaf Partners, LLC**

In planning and performing our audit of the financial statements of Silver Leaf Partners, LLC (the "**Company**"), as of and for the year ended December 31, 2007 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("**SEC**"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13;
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining effective internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors and fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design may deteriorate.

# SILVER LEAF PARTNERS, LLC

# SILVER LEAF PARTNERS, LLC

## NOTES TO FINANCIAL STATEMENTS

December 31, 2007

---

### (1) ORGANIZATION AND NATURE OF BUSINESS

Silver Leaf Partners, LLC (the "**Company**"), a New York Limited Liability Company, is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of the National Association of Securities Dealers, Inc. (NASD). The Company clears its securities transactions on a fully disclosed basis with a clearing broker. The Company's effective date of organization was January 15, 2003. The effective date of the Company's registration as a broker-dealer was September 23, 2003.

### (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash in banks, brokerage accounts and short-term highly liquid investments.

#### Securities Transactions

Securities transactions (and related commissions, revenue and expenses) are recorded on a trade date basis. Realized gains and losses from securities transactions, if any, are reported on the basis of identified cost.

#### Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Income Taxes

The Company has elected Partnership status for federal and state tax purposes whereby taxable income is reported by the Company's members.

### (3) LEASE COMMITMENTS

The Company leases office space under a three-year lease which expires in September 2009. The future minimum lease commitment is \$148,176 in 2008 and \$111,132 in 2009. Rent expense for the year ended December 31, 2007 was \$137,877.

### (4) CONTINGENCIES AND COMMITMENTS

The Company has a clearing agreement with its clearing broker, Jefferies & Company, Inc. (the "**Clearing Broker**"). The agreement provides that certain minimum capital balances must be maintained while the Company's customer accounts are being introduced to and cleared by the Clearing Broker on a fully disclosed basis. In connection with this agreement, the Company is contingently liable to the Clearing Broker in the event of nonperformance by its introduced customers. It is the Company's policy to continuously monitor its exposure to these risks.

# **SILVER LEAF PARTNERS, LLC**

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2007**

---

### **(5) REGULATORY REQUIREMENTS**

The Company is exempt from the provisions of Rule 15c3-3 of the Securities Exchange Act of 1934 (reserve requirements for brokers and dealers) in that the Company does not hold funds or securities for customers. All customer transactions are cleared through another broker-dealer on a fully-disclosed basis.

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined, equal to the greater of \$5,000 or 6-2/3% of aggregate indebtedness. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2007, the Company had net capital of \$245,496 and net capital requirements of \$10,289. The percentage of aggregate indebtedness to net capital was 63%. These net capital requirements may effectively restrict the Company's ability to make distributions to its members.

### **(6) SIGNIFICANT CONCENTRATION OF CREDIT RISK**

The Company's brokerage accounts, which at December 31, 2007 amounted to \$294,093, are maintained at its Clearing Broker.

Financial instruments which potentially subject the Company to concentrations of credit risk consist principally of cash. The Company deposits its cash with its bank, which is a high credit, quality financial institution. At times, these deposits may be in excess of the FDIC insurance limit or not covered by the FDIC.

## **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5**

**To the Members  
Silver Leaf Partners, LLC**

In planning and performing our audit of the financial statements of Silver Leaf Partners, LLC (the "**Company**"), as of and for the year ended December 31, 2007 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("**SEC**"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons and recordation of differences required by Rule 17a-13;
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining effective internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, errors and fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in the Company's internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2007, to meet the SEC's objectives.

This report is intended solely for the information and use of management, the SEC, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
